- 30 July: 556 miles, 10 hours 19 minutes
 - Dickson TN SC: 10 minutes
 - Cookeville TN SC: 25 minutes
 - Knoxville TN SC: 35 minutes
 - Bristol TN SC: 35 minutes
 - Blacksburg VA
- Totals: **1169 miles, 22 hours, 19 minutes; charging time: 1 hour 45 minutes**
 - Google Maps: **1147 miles, 17 hours, 25 minutes with no stops**
 - **Assuming 2 hours of normal stops: TM3LR trip requires ~3 extra hours for charging**

Problem: Comfort Suites Hotel in Ganbury does not have a charging station; another hotel (Inn on Lake Granbury) has a Tesla Destination Charger (available to guests only). If charged fully at Southlake SC, then 53 miles to Granbury and 147 miles on to Sulphur Springs SC would work (200 miles), but add an extra hour or so to the trip.
