The Blacksburg [Drive Electric Earth Day](#) event will be from 11 AM to 2 PM on 25 April 2019 in the parking lot at 1880 Pratt Drive in the Virginia Tech Corporate Research Center in Blacksburg. The display will be near the Thursday food trucks at VTCRC. This is a local event as part of the [national Drive Electric Earth Day](#). The official web page for the event is [Drive Electric Earth Day-Blacksburg](#).

A photo of the nine parking spaces for the BEVs enclosed in red is shown below; the locations for the two food trucks are marked in blue.

Organizer: L. David Roper, [roperld@vt.edu](mailto:roperld@vt.edu)
